### DAILY FLIGHT SCHEDULE (local timings)

Chennai Dep 0100 hours - Mattala Arr 0320 hours

Mattala Dep 0420 hours - Chennai Arr 0645 hours

---

### ISOLATION CENTER CREW TRANSFERS

**OPERATION:** The On-signers take our charter flight from Chennai to Mattala airport, get off the aircraft and proceed to designated Isolation Centers, undergo RT-PCR test and wait for the vessel to arrive and proceed accordingly. Off-signers proceed from vessel to the Isolation Centers, undergo PCR test and wait for the flight. **Minimum time at the Isolation Center is 2 days for On-signers and Off-signers.**

**ON-SIGNERS requirement:** To do a RT-PCR test in their hometown, reach Chennai at least 96 hours before the flight, be in isolation at our designated hotel and undergo a RT-PCR test in the hotel itself on arrival and another test 15 hours before the flight. Crew board our Chennai Mattala flight and on arrival, they are taken directly to the Isolation Center for a minimum of 48 hours and undergo a RT-PCR test. Crew with negative report proceed to the vessel on her arrival.

**NOTE:** *If a crew tests positive in Chennai, there is 2 or more days' time before the flight, so that you have an option to replace crew. Some companies keep their crew in isolation for 7 days with 2 RT-PCR tests, thereby eliminating all chances of infection. If crew tests positive in Sri Lanka, they will undergo treatment there.*

**OFF-SIGNERS requirement:** On getting off the vessel, proceed to the Isolation Center for a minimum of 2 days and undergo a RT-PCR test within 96 hours prior to flight arrival. The crew carry 2 hard copies of negative report and take our flight to Chennai and show the RT-PCR report and undergo thermal screening at airport. Asymptomatic crew can take the first available flight to their home and follow 14 days home quarantine.

**NOTE:** All On-signers and Off-signers should download ePass from <http://tnepass.tnega.org/#/user/pass> before boarding the domestic/international flight to Chennai. Airlines will not allow you to board without an ePass.

### FARES FOR ISOLATION CENTER FLIGHTS:

Number of seats	USD	INR	
20 - 29	900	67,500	Fares are priced dynamically- as seats fill up, rates drop down.
30 - 39	825	61,050	You pay at the highest rate USD 900/INR 67,500 + 18% GST.
40 - 49	750	55,500	Crew manifests will be shared on day of flight and refunds made if required.
50 +	700	51,800

## DIRECT BULK CREW TRANSFERS (SPECIAL OPS)

**OPERATION:** This is only carried out by Aries Enterprises when the number of crew is large. On-signers take our charter flight from Chennai to Mattala airport, get off the aircraft and proceed nonstop to Galle/Colombo/Hambantota seaport and then to the awaiting vessel. This entire operation takes about 6-8 hours.

For the Off-signers there is no quarantine in Isolation Centers nor RT-PCR tests in Sri Lanka, hence the crew testing positive in Sri Lanka is completely avoided which would otherwise severely impact your crew change operation. The hospitalization and treatment in Sri Lanka are extremely expensive. The quarantine is carried out in Chennai which is not expensive unlike the Isolation Centers in Sri Lanka. **Direct bulk crew transfers are safe, smooth and not expensive at all.**

**NOTE: Vessel to arrive between 0700 hours - 1800 hours for no delay or we can charter a flight as per your vessel eta.**

**ON-SIGNERS requirement:** To do a RT-PCR test in their hometown, reach Chennai at least 96 hours before the flight, be in isolation at our designated hotel and undergo a RT-PCR test in the hotel itself on arrival. One more test will be done 15 hours before the flight. Crew board our flight to Mattala airport, and on arrival, they are taken directly to the vessel.

**NOTE: If a crew tests positive in Chennai, there is 2 or more days' time to replace the crew before the charter flight. Some companies keep their crew in isolation for 7 days with 2 PCR tests, thereby eliminating all chances of infection.**

**OFF-SIGNERS requirement:** On getting off the vessel, proceed to the Isolation Center for a minimum of 2 days and undergo a RT-PCR test within 96 hours prior to flight arrival. The crew carry 2 hard copies of negative report and take our flight to Chennai and show the RT-PCR report and undergo thermal screening at airport. Asymptomatic crew can take the first available flight to their home and follow 14 days home quarantine.

**NOTE: All On-signers and Off-signers should download ePass from <http://tnepass.tnega.org/#/user/pass> before boarding the domestic/international flight to Chennai.**

**SPECIAL RATES APPLY FOR DIRECT BULK CREW TRANSFERS, call for more details.**

---

**We arrange:**

- **Govt. approved 5-star hotels at USD 57 per day** (includes airport transfers, 24 hours check-in, extendable by 4 hours at no extra cost, 3 veg. meals per day, high speed Wi-Fi, price includes 12% GST).
- **COVID-19 tests at USD 50 per test** (by Govt. approved doctor at the hotel itself).
- **Complimentary PPE Kits** for all crew & flights are filled to just 1/2 capacity to ensure social distancing.

**The cutoff for submission of Sign ON/OFF manifests & bank transfer is 7 days before the flight.**

Beneficiary Name: ARIES ENTERPRISES

Acct Number: 025802000003531

Bank: Indian Overseas Bank, Branch: Besant Nagar, Chennai 600090

IFSC: IOBA0000258

SWIFT CODE: IOBAINBB876

## CANCELLATION POLICY:

In case of your cancellation after submission of manifest, the money will be non-refundable. If Aries Enterprises cancels the flight, we commit **full** refund. During this operation if any seafarer falls sick and has to remain in Sri Lanka or Chennai, then it will be the responsibility of the employer to comply with the local rules, as also to bear all expenses including his return back to his hometown. However, we will assist in this matter.

## CHARTER TRIP ENABLEMENT PLATFORM (CTEP) Portal Access

Welcome to our new portal to plan your crew changes better. We will grant you CTEP access to avail this service. Our partner, TravelSpends will reach out to you to create your credentials for accessing the portal. This will enable you to easily view, plan, block seats and upload your seafarer's data for all upcoming flights.
