Important Transfer Information

Our current flight operations between Chennai (MAA) and Mattala (HRI) in Sri Lanka will facilitate your crew transfers. We operate both isolation & PCR test model along with the direct transfer model.

Our focus is on the isolation & PCR process which require the crew to arrive in Chennai D+5/6 days with testing window of 2-3 days prior to departure. We also have a complete test facility set-up in Chennai for the direct transfer to vessel on arrival. We will synchronize the vessel ETA for such departures to comply with the regulations. Kindly do mail us for additional information.
